

The Vision and Mission of Stronghold Ministry

Stronghold Ministry was founded in 2008 by Joe and Terri Fornear to provide much needed spiritual support and comfort to cancer patients, caretakers and others in various life situations. We reach out through the Internet, books, support groups, online training seminars, retreats, conferences, workshops, coaching, and a retreat home.

About the Founders

Joe Fornear Executive Director

Joe is a Stage IV metastatic melanoma cancer survivor. In May of 2003, doctors gave him "days to live." Cancer had spread to 13 different sites, including several major organs—lung, kidney, stomach, and pancreas. Joe experienced a miraculous healing and has been cancer free since August 2003. Joe has authored several books on lessons he learned at the brink of death—on surrender, prayer, weakness and God's power in a crisis. He is an ordained minister and has a Masters of Theology from Dallas Seminary. He planted and pastored a church in Dallas for 18 years.

Terri Fornear Executive Director

Terri is passionate to share powerful lessons on prayer and faith gleaned as she walked Joe through his cancer. Terri coaches caretakers and others in various life situations, and has led numerous support groups for women over the last 30 years. Joe and Terri have two grown children, Jesse and Amy, who were teenagers during the battle. Terri has a B.S. degree in Individual and Family Studies, and is a Board Certified Life Coach and Certified Language Therapist. She also offers a discounted paid service called Abiding LIFE Coaching. Please call her for more information.
