God's Willingness -Joe Fornear

On a daily basis, I write or talk to a cancer patient with a humanly impossible prognosis. I think doctors are correct to warn with such predictions, as many patients would miss the seriousness of their situation. Yet people of faith know and believe that God always has the last word. He can heal *any* cancer at *any* time. He doesn't search medical statistics to decide what to do. He can override the "natural" order at His pleasure.

From cover to cover of the Bible, God intervenes in jaw-dropping fashion. This should certainly encourage us to seek His power today. Still, Jesus' followers had the advantage of reading of God's amazing exploits in the wilderness, and

I think many today don't doubt His power, but rather His willingness to use that power. still displayed such little faith. Does that same lack of faith prevail in me and you today? We have an even greater vantage point, reading of scores of New Testament miracles. Yet I think Jesus' followers today don't so much doubt His power, but rather His *willingness* to use that power.

Stronghold Ministry believes fervent prayer is not guaranteed, but able to accomplish much (James 5:16). We have met many Christ followers who have

"beaten the odds" by God's intervention. My oncologist told me faith impacted the very survival of several of his patients. Seven years later, he still calls my recovery from Stage IV metastatic melanoma a miracle. We want to fervently seek a miracle for you and your loved ones. So don't hesitate to connect with us!

Healing Prayer Service—monthly in Dallas

Sometimes God wants to show off His power over our most difficult obstacles... like cancer. Come pray with us for your miracle at our *Healing*

Prayer Services. We don't guarantee miracles, but we certainly believe we should ask for one! "You do not have because you do not ask" (James 4:2). Bring your loved ones to pray together with us. Or, as was commonly practiced in the Bible, come as a proxy for someone who is not able to come. Let's just see what He will do!

The Exchanger

Testimony Time

We are featuring stories of those we serve who are fighting cancer. This month we share the story of **Rick Daniel**, who is an amazing survivor of Stage IV metastatic melanoma. His wife **Lori** is pictured here with Rick, and Joe and Terri Fornear. After connecting over the phone and email for months, the Daniels made Dallas part of their recent road trip so they could meet Joe and Terri. The Daniels live in Melbourne, Florida.

During an appointment in 2005, a cardiologist noticed a dark spot on my neck. He immediately sent me to a dermatologist, and soon four inches surrounding

the spot was removed. Diagnosis: melanoma. Prognosis: not to worry, they got it all. So we didn't.

Life was great at the time. We lived in the Bahamas, and then moved for a great job in Florida, but something was missing. A real feeling of need came over both of us to return to the church. We had been Christians, but were not going faithfully, so we joined a great Bible teaching church. This feeling was no doubt from our Father; He knew what was to come. I was diagnosed with Stage IV Metastatic Melanoma in my liver, lymph nodes, and lungs, and given six months. The church was a Godsend, supporting and comforting us to be able to make it through such a difficult time.

With the disease so widespread, I lost my job and home, so we moved back home to Melbourne, FL. A chemo cocktail kept the cancer from spreading, but did not reduce it. After eight months, severe neuropathy developed in my hands and feet, and my oncologist could no longer treat me.

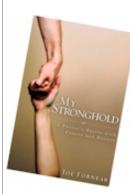

Thank God for another church, Calvary Chapel Melbourne. Everyone we knew prayed for us daily, and we were anointed with oil. This was such a difficult time for us, but our faith grew ever stronger, and we knew our Lord and Savior was with us.

My oncologist sent us to Moffitt Cancer Center in Tampa where I entered a research treatment program. After starting the program, our church held a meeting to seek the Baptism in the Holy Sprit. I received the Baptism and was extremely moved by the presence of our Lord. I cried and shook and felt better than I have in a long time. I felt His presence surge through me, a feeling I will never forget. My next scan showed the cancer was shrinking.

Then Stronghold Ministry came into our lives. Through the internet and phone, Joe Fornear became very close to us. His book inspired Lori and I to keep fighting, to keep the faith, and never give up. Joe, your friendship has gotten both of us through some very rough times. Thank you. You have been a Godsend.

It has been two years since I was Baptized and the cancer in my liver and lungs is gone. My last PET scan showed only two small nodules in a lymph node in my chest. They are not even sure if they are cancerous.

Doctors will tell you there is no cure for melanoma, but many doctors do not know the healing power of Jesus. Just ask Joe or me.
